

## AVAILABLE ACCESSORY TO HC-190 WITH WALL HUNG BRACKET

There is also an accessory to the Wall Hung Bracket that can be purchased separately, the Extension Wall Bracket (Part #10007065), that can be used in conjunction with the Wall Hung Bracket you received, if you would like the Wall Hung Bracket to be away from the wall to make connections of pipes without being inside the wall. This allows you to make your pipe connections from either side of the HC-190 or from up or down outside the wall.
